**Re: *Baver v. Fox Corp., et al.*,
C.A. No. 1:24-cv-00641-JLH**

Dear Judge Hall,

I am writing to alert the Court that Defendants in the referenced action intend to file a short response to the filing Plaintiff made yesterday responding to the Court's Order to Show Cause of November 27, 2024. Defendants respectfully submit that their response will be useful to the Court and will show that the case should be dismissed for failure to effect service. Among other points, it will address certain misstatements in Plaintiff's filing about the procedural history of the case that may otherwise cause confusion.

In making this filing, Defendants expressly preserve and do not waive their position that the case should be dismissed with prejudice for failure to effect service. Defendants propose to submit their filing no later than 10:00 am on Monday, December 16, and earlier if possible.

Respectfully Submitted,

/s/ *John L. Reed* (I.D. No. 3023)
